

# Cursed for You!

“Then shall he say also unto them on the left hand, **Depart from me, ye cursed, into everlasting fire,** prepared for the devil and his angels.”

Matthew 25:41

“**Christ hath redeemed us from the curse of the law, being made a curse for us:**

for it is written, Cursed is every one that hangeth on a tree:

**That the blessing of Abraham might come on the Gentiles through Jesus Christ;** that we might receive the promise of the Spirit through faith.”

Galatians 3:13-14

## Curses in General

A. What is a curse in general? Using God's name or authority to judge a person or thing.

**Curse.** 1. An utterance consigning, or supposed or intended to consign, (a person or thing) to spiritual or temporal evil, the vengeance of the deity, the blasting of malignant fate, etc. It may be uttered by the deity, or by persons supposed to speak in his name, or to be listened to by him. 2. Without implication of the effect: The uttering of a malediction with invocation or adjuration of the deity; a profane oath, an imprecation. 3. An object of cursing or execration; an accursed thing or person. 4. The evil inflicted by divine (or supernatural) power in response to an imprecation, or in the way of retributive punishment. [OED].

B. What else can a curse be? It can be disrespectful or imprecatory declaration of disgust.

1. Satan tried to get Job to curse God this way, and so did his wife (Job 1:11; 2:5,9).
2. It can be church censure or anathema of excommunication of members (Gal 1:8-9).
3. Phinehas's wife cursed Israel by naming her son Ichabod for the ark (I Sa 4:19-22).

C. Common usage includes some senses of the word that reduce its gravity and weight.

1. It is used lightly at times to speak of a *melancholy curse* or the *menstrual curse*.
2. It is used indirectly at times to speak of filthy language used foolishly and wildly.
3. It is used correctly at times for men using God's name in vain to damn ignorantly.

D. What do we mean by curse? **God's promise to severely punish an object of wrath!**

1. The source of the declaration or promise is the purpose or will of Almighty God.
2. The punishment can be temporary or permanent ... natural, spiritual, or eternal.
3. The judgment is certain, because God only operates by truth; He does not change.
4. The judgment is certain, because there is no limit to His duration, power, or wrath.
5. His wrath is not temporary emotion like in men, but certain and sure by character.
6. There is absolutely no escape from His curses (Num 32:23; Job 8:13-14; 11:20; 18:14; 27:8; Psalm 2:1-5; 49:6-9; Proverbs 11:21; 16:5; 20:20; Luke 16:23-26).
7. Bible verses do not need the word *curse* any more than *blessings* need that word.
8. We could focus on words like *calamity, condemnation, damnation, destruction, guilt, hatred, judgment, ruin, torment, etc.*, but for this study we exalt *curse*.

E. Grasp a few examples of general curses not associated directly with curses for sin.
