

Right Side Up

“Thus saith the LORD, Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls. But they said, We will not walk therein.”

Jeremiah 6:16

Right Side Up

in an Upside Down World

“Stay yourselves, and wonder; cry ye out, and cry: they are drunken, but not with wine; they stagger, but not with strong drink” (Isaiah 29:9).

- Stop to consider the incredulous events around you.
- Shout about the insanity that is sweeping the world.
- Men act like they are totally drunk, but they are not.

“For the LORD hath poured out upon you the spirit of deep sleep, and hath closed your eyes: the prophets and your rulers, the seers hath he covered” (Isaiah 29:10).

- God has caused this incredible amount of stupidity.
- He has put everyone into a deep sleep of blindness.
- Especially preachers and rulers, He has blinded them.

“And the vision of all is become unto you as the words of a book that is sealed, which men deliver to one that is learned, saying, Read this, I pray thee: and he saith, I cannot; for it is sealed:” (Is 29:11).

- All revelation from God i.e. the Bible is hidden away.
- Truth is like a book that has been closed and sealed.
- They go to assumed wise men, but they cannot help.

And the book is delivered to him that is not learned, saying, Read this, I pray thee: and he saith, I am not learned” (Is 29:12).

- All revelation from God i.e. the Bible is hidden away.
- Truth is like a book that has been closed and sealed.
- After wise men, they try simple, but he cannot read.

“Wherefore the Lord said, Forasmuch as this people draw near me with their mouth, and with their lips do honour me, but have removed their heart far from me, and their fear toward me is taught by the precept of men:” (Isaiah 29:13).

- The reason for God’s great judgment is hypocrisy.
- His people were full of words about their love of God.
- They chose to love other things and pretend religion.

“Therefore, behold, I will proceed to do a marvellous work among this people, even a marvellous work and a wonder: for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid” (Isaiah 29:14).

- God planned to do a marvelous and wonderful thing.
- These were His people, His church, but it did not help.
- He would take away their wisdom and understanding.

“Woe unto them that seek deep to hide their counsel from the LORD, and their works are in the dark, and they say, Who seeth us? and who knoweth us?” (Isaiah 29:15).

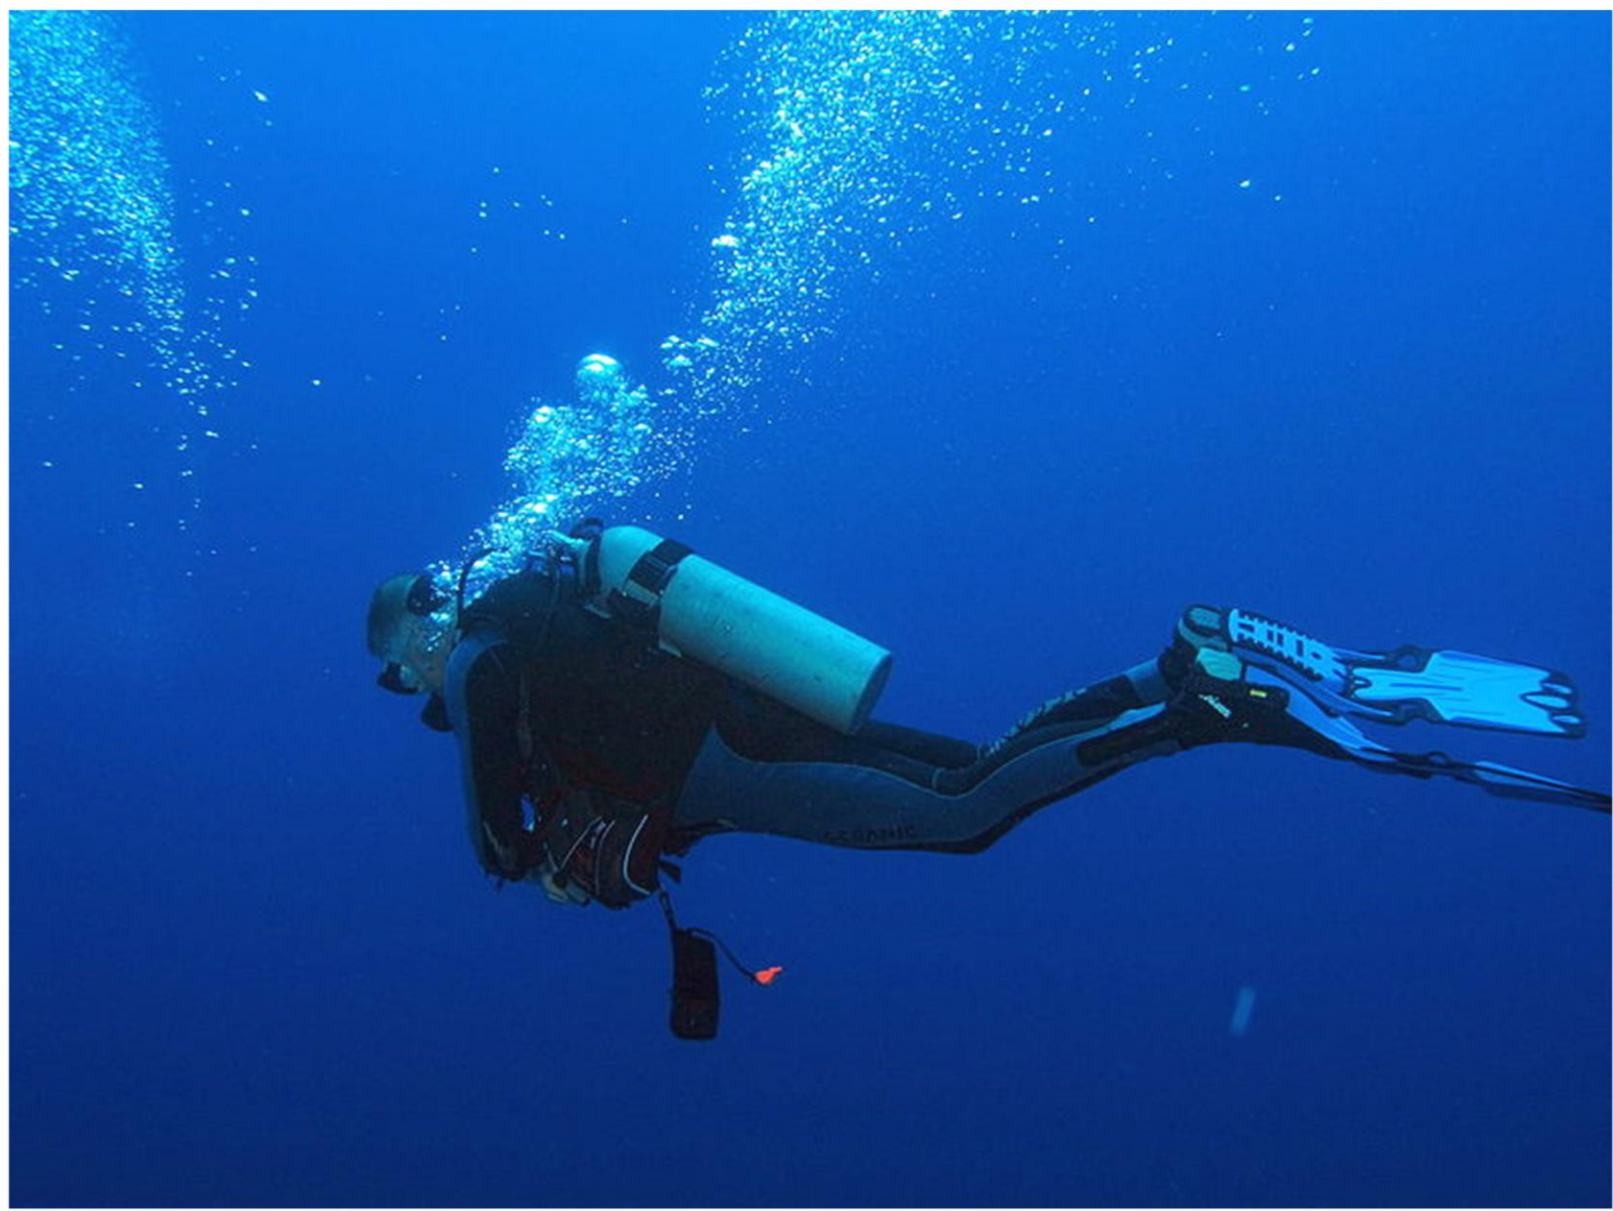

- God judges those thinking they can get away with sin.
- There are many hypocrites that assume they are safe.
- They may not say the words, but they think or act them.

“Surely your turning of things upside down shall be esteemed as the potter’s clay: for shall the work say of him that made it, He made me not? or shall the thing framed say of him that framed it, He had no understanding?” (Is 29:16).

- They turned God’s will upside down for their pleasure.
- Their ideas are as stupid as clay arguing with a potter.
- God, like a potter, would mock their haughty plans.

“Surely your turning of things upside down shall be esteemed as the potter’s clay: for shall the work say of him that made it, He made me not? or shall the thing framed say of him that framed it, He had no understanding?” (Is 29:16).

- The world has turned God’s ordinances upside down.
- Most Christians/churches have followed closely behind.
- God will have the last laugh! Whose side are you on?

Spatial Disorientation (1)

- Divers have oxygen and weights for weightlessness.
- There is no gravity pull to tell you up from down.
- Far enough down, you cannot see any surface light.
- If the water is deep enough, you cannot see bottom.
- Without a light, a line, a guide, a gauge ... you die!

A scuba diver is shown in profile, swimming horizontally in clear blue water. The diver is wearing a black wetsuit, a white scuba tank, and blue fins. A large, dense plume of bubbles is rising from the diver's regulator, trailing behind them. The bubbles are bright and numerous, creating a significant visual element in the scene. The text "Your bubbles become key!" is overlaid on the right side of the image, underlined in yellow.

Your bubbles become key!

Spatial Disorientation (2)

- Divers in the black depths have no reference point.
- Their minds will begin to play tricks as to direction.
- There is as much chance they will descend as ascend.
- They must trust their bubbles against any inclination.
- If they do not fully trust their bubbles ... they die!

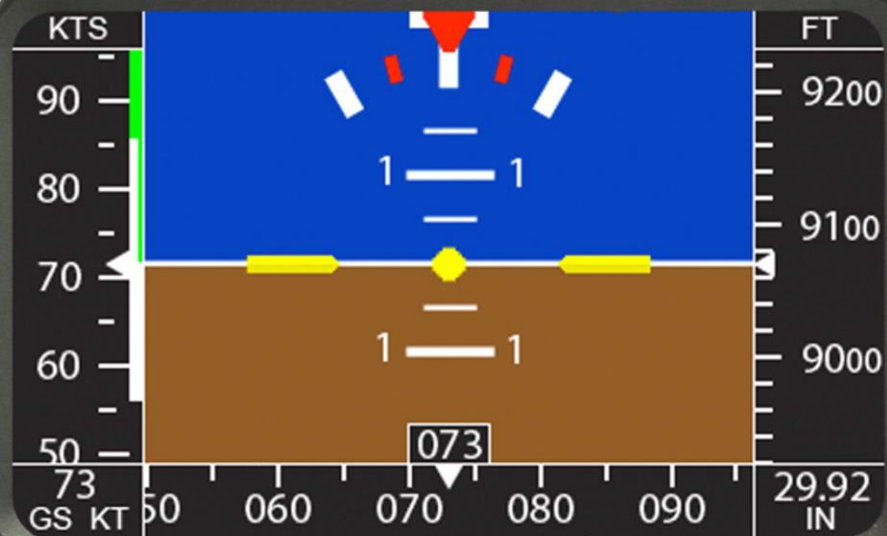

Spatial Disorientation (3)

- In 1999 JFK, Jr. killed three by spatial disorientation.
- At night over water with haze, the horizon disappears.
- With enough speed, your body cannot sense gravity.
- A pilot may not know if he is going up or going down.
- Smart and trained, he was not instrument qualified.

Gemini

Spatial Disorientation (4)

- Pilots in darkness over water have no reference point.
- Their minds will begin to play tricks as to direction.
- There is as much chance they will descend as climb.
- They must trust their gauges against any inclination.
- If they do not fully trust their gauges ... they die!

Spatial Disorientation (5)

- God has judged the world ... it has gone upside down.
- In just a couple generations they have inverted much.
- If you look around, you will be spatially disoriented.
- If you listen to them, you will be spatially disoriented.
- You have bubbles ... you have a gauge ... the KJV Bible!

THE 19
World turn'd upside down:

O R,
A briefe description of the ridiculous Fashions
of these distracted Times.

Things Are Upside Down

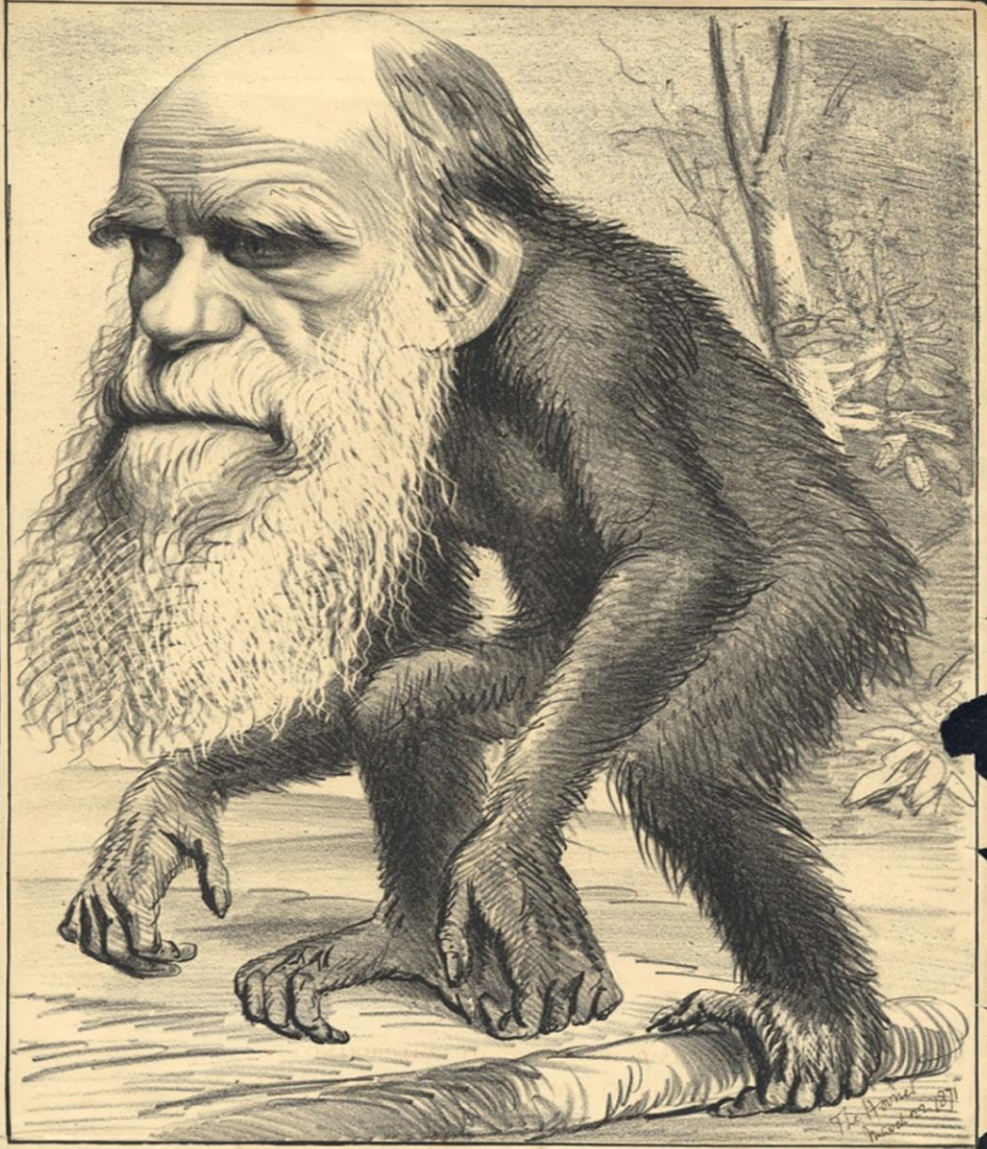

- It is very true of the world and of most Christians.
- They are confused, ignorant, and perverse in thinking.
- The rate of inversion is incredible and increasing.
- God has hidden knowledge and wisdom from them.
- They cannot see, know, or understand their insanity.

Do You Know What To Do?

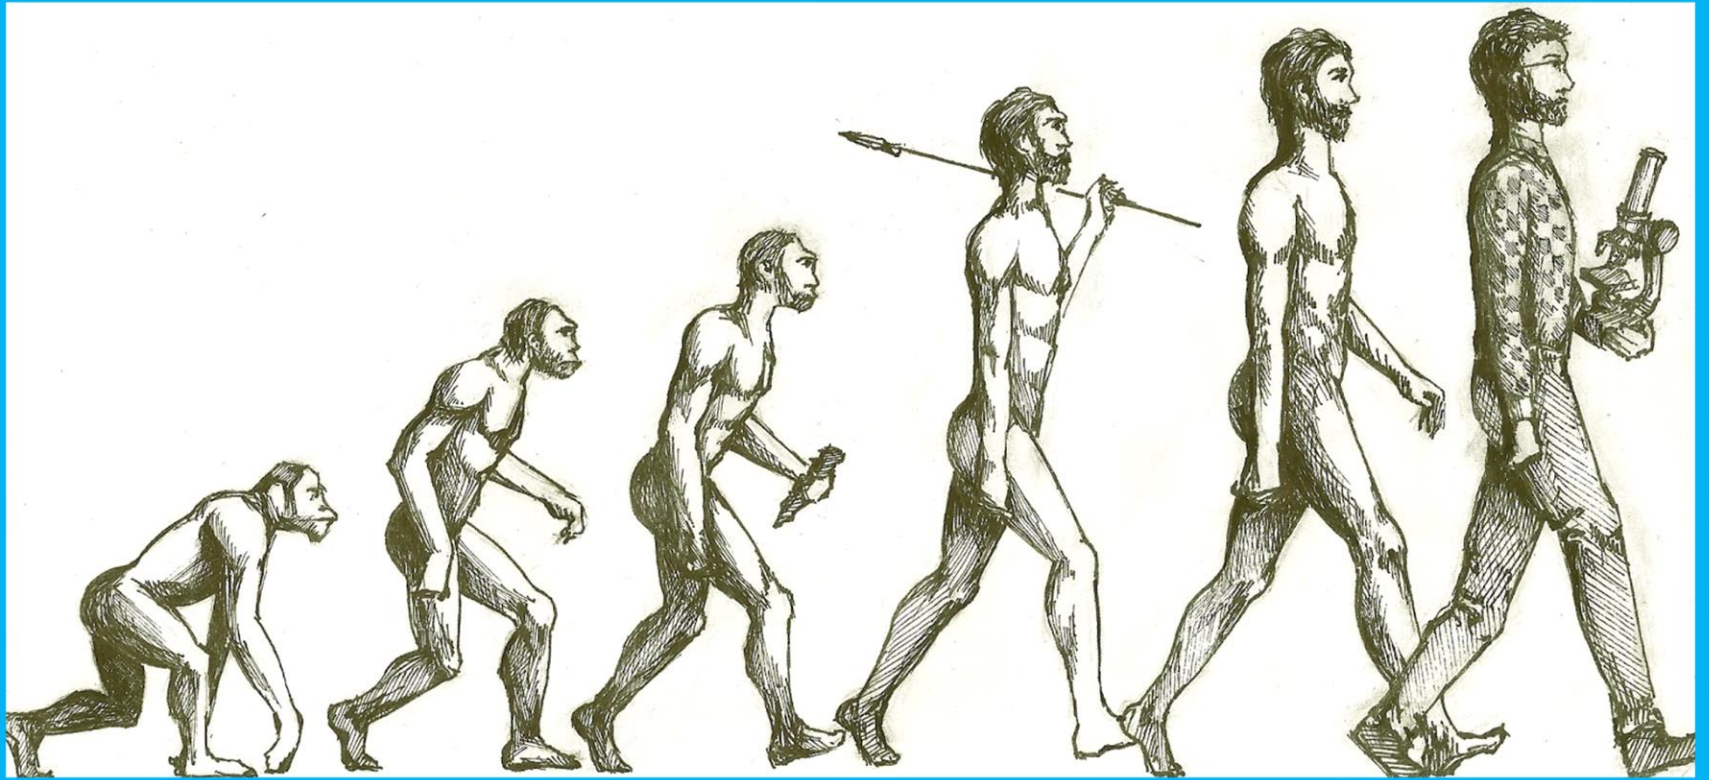

- Do you know how to avoid spatial disorientation?
- Do you know that your bubbles can only go up?
- Are you instrument rated to avoid what you see/hear?
- You will ruin your life and be lost without direction.
- The Bible is right about everything; hate anything else.

Only the Bible Is Right Side Up

- We must learn it, remember it, and always apply it.
- Nothing has changed – the Bible is totally relevant.
- The Creator's perfect will for success is in writing!
- To the degree you lose sight of the Bible ... *you lose!*
- We are Bible Christians, and we start with the Bible!

A CONTRIBUTION TO UNNATURAL HISTORY.

Creation vs. Evolution

- God created everything you see in six, 24-hour days.
- God created everything from nothing by His power.
- Evolution is the most upside down idea ever conceived.
- They say everything came from nothing without help.
- How many “scientists” would make you an atheist?

Capital Punishment

- It is a simple, Bible solution for God's capital crimes.
- The upside down world feels sorry for the criminals.
- They never think about the victims or their families.
- They get very upset if it takes more than seconds.
- God's plan was stoning without any pity. Period.

Corporal Punishment

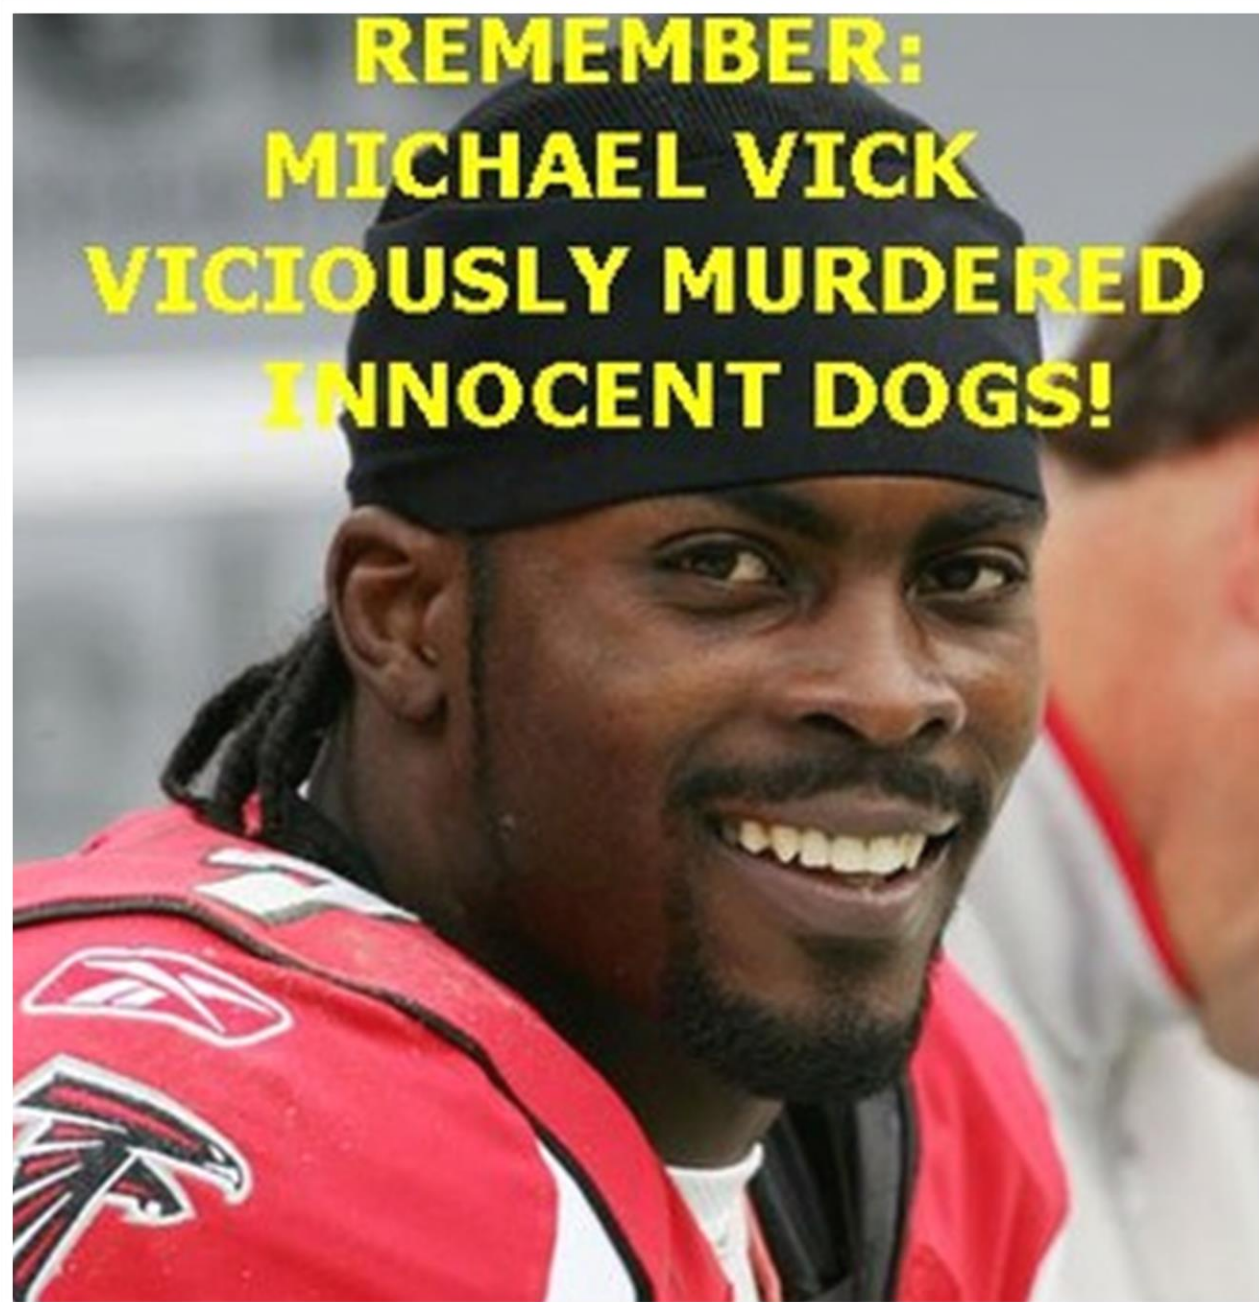

- Is spanking a child an act of love or hatred?
- The world can list 1000 reasons against spanking.
- The world is blind to all their dysfunctional youth.
- What does God say about spanking with marks?
- What is the outcome of spanking or not spanking?

Abortion

- It is the cold-blooded murder of an unborn child!
- 3,300 helpless babies murdered each day in America.
- If you lovingly spank older siblings, you are in trouble!
- But you are cool if you mutilate the younger siblings.
- God ordered the death penalty for *accidental* abortion!

INNOCENT DOGS!**

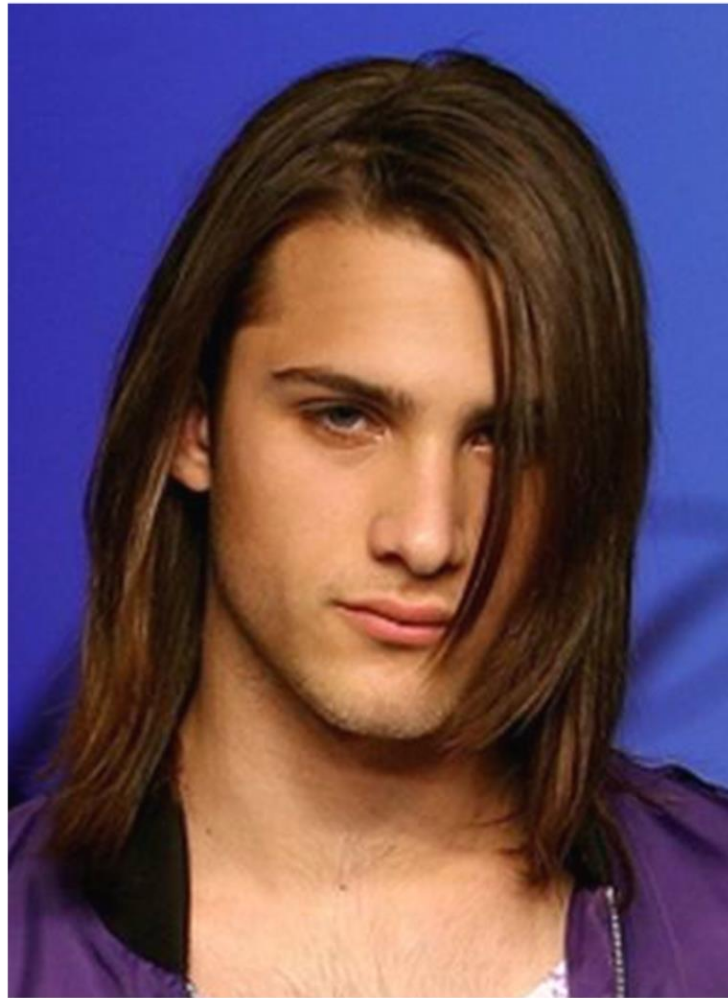

Animal Rights

- Wait a minute! Remember dogs! ... but forget babies!
- Scream against fur coats! ... but scream for abortion!
- Why not jail and caricaturize every abortion doctor?
- How is bestiality punished today? *Cruelty to animals!*
- Are you upright enough to see what is upside down?

Baptism

- How old was Jesus when baptized? How was it done?
- Were there any infants baptized in the Bible?
- Was anyone ever baptized by sprinkling or pouring?
- Does baptism have any important symbolism?
- Is baptism's subject and mode something to overlook?

Hair Length

- It is easy to believe the Bible when it is not personal.
- Does God care about hair length? He sure does.
- Do you know where to find what the Bible says?
- The Bible and nature are as relevant today as ever.
- How solidly are you committed to all the Bible says?

Cremation

- Who gave you your body? Does He have any say in it?
- What “R” word makes burial important to Christians?
- How enlightened are nations that mostly cremate?
- How many Christians were cremated before 1960?
- What if burial costs more? How do you measure truth?

Sodomy

- There is nothing gay ... good ... right ... okay ... about it.
- It is not more acceptable today than it was in Sodom.
- The downward spiral into this cesspool is staggering.
- God considers it an abusive, abominable perversion.
- God uses it to punish those too stupid to know it!

Savings

- Are you kidding? What does God say about savings?
- He says you should learn from the ant to save.
- He says if you have no capital you will always be poor.
- He says there is treasure in the houses of the wise.
- It is not optional. God knows you can reduce costs.

National Debt

- Is the United States the head or the tail of the dog?
- Why do economic classes endorse deficit spending?
- What happens to a family with deficits year after year?
- God said that creditor nations are greater than debtors.
- Does anyone at Oxford, Harvard, or Stanford think?

Welfare vs. Work Ethic

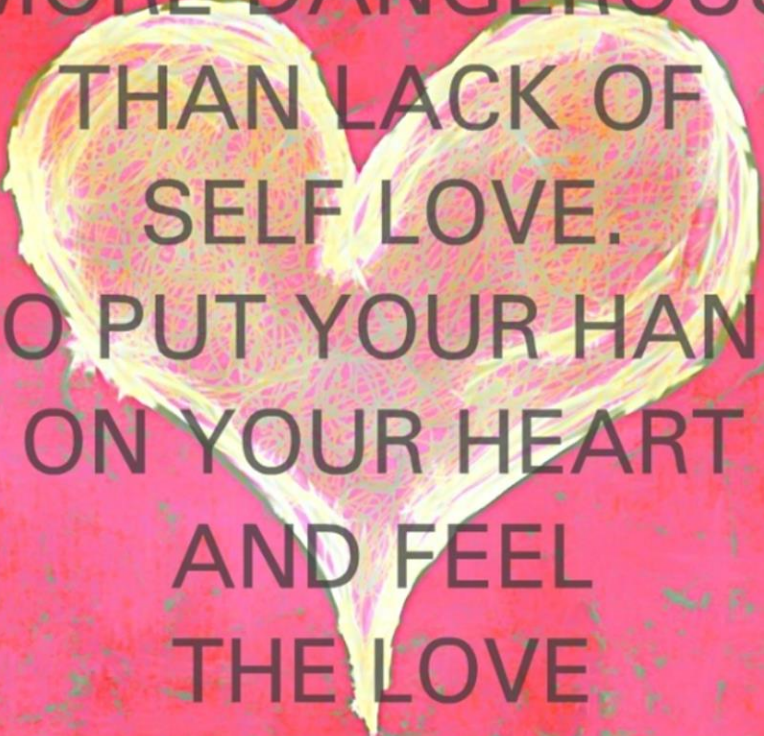

- God had Adam work in the perfect world of Eden.
- Bible Christianity requires a very high work ethic.
- Proverbs continually exalts and rewards the diligent.
- Men and women have worked through pain since Adam.
- The Bible is easy in both testaments – *work or starve*.

Spatial Disorientation (5)

- God has judged the world ... it has gone upside down.
- In just a couple generations they have inverted much.
- If you look around, you will be spatially disoriented.
- If you listen to them, you will be spatially disoriented.
- You have bubbles ... you have a gauge ... the KJV Bible!

Back to the Bible (1)

“Therefore I esteem all thy precepts concerning all things to be right; and I hate every false way” (Ps 119:128).

“To the law and to the testimony: if they speak not according to this word, it is because there is no light in them” (Isaiah 8:20).

“Timothy, keep that which is committed to thy trust, avoiding profane and vain babblings, and oppositions of science falsely so called” (I Tim 6:19).

Back to the Bible (2)

- The only source of truth in the world is the KJV Bible.
- All questions or choices are found in it, if you know it.
- Every father should take everything back to the Bible.
- No matter who, what, when, where ... go to the Bible.
- Hate “facts,” “science,” “results,” or feelings against it.

Back to the Bible (3)

- Can you answer the certain words of truth to others?
- The Bible records, *"It is written,"* ... 80 times!
- The Bible records, *"Thus saith the Lord,"* ... 413 times!
- Sharing or polling opinions of anyone is confusion.
- Euphemisms are the world whitewashing sin.

Back to the Bible (4)

- Because you have heard or read something is vanity.
- God has revealed His will for us to do it (Deut 29:29).
- God gave scripture to equip ministers (II Tim 3:16-17).
- His job is to war against your thoughts (II Cor 10:4-6).
- We like ... *Let God be true, but every man a liar.*

Back to the Bible (5)

- We need revelation, not reasons or rationalization.
- *“God said it; I believe it; that settles it.”*
- Can you be like Elihu or the three Hebrew men?
- Do not be the foolish hearer that is not a doer.
- Love and obey the Bible ... it is your bubbles and gauge.

“Thus saith the LORD, Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls. But they said, We will not walk therein.”

Jeremiah 6:16

“Surely your turning of things upside down shall be esteemed as the potter’s clay: for shall the work say of him that made it, He made me not? or shall the thing framed say of him that framed it, He had no understanding?” (Is 29:16).

- The world has turned God’s ordinances upside down.
- Most Christians/churches have followed closely behind.
- God will have the last laugh! Whose side are you on?

Warnings for the Wise

- Youth ... today is not normal – the world is freaking!
- Even pagans in the past stood against today's lies.
- Wise men hide in public (Prov 22:3; 28:28; 29:2; Judges 6:11).
- Wise men ignore fools (Prov 9:6-9; 23:9; 26:4-5; Matt 7:6).
- Wisdom brings grief, but it is worth it (Eccl 1:18; 12:13-14).
