**THE END OF THE
WORLD IS ALMOST
HERE!
HOLY GOD
WILL BRING
JUDGMENT DAY ON
MAY 21, 2011**

JUDGMENT DAY is feared by the world and is the day that God will destroy the world because of the sins of mankind. The world is correct in believing that Judgment Day will come. The Bible gives us the correct and accurate information about that Day.

The Bible is the Holy Book written by Holy God who is the Creator of this beautiful world. The Holy Bible is without question a very ancient book, having been completed about 1,900 years ago. In its original languages (mostly Hebrew and Greek) it has never been changed, and each and every word in the original languages is from the mouth of God. The Bible is divided into two parts (the Old Testament and the New Testament), with each part divided into many books. Each book is divided into chapters, and each chapter is divided into verses. One of the books is named Second Timothy (2 Timothy). In Chapter 3, verse 16 (2 Timothy 3:16) of this book Holy God tells us:

All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness.

**GOD GIVES ANOTHER
INFALLIBLE PROOF
THAT ASSURES
THE RAPTURE WILL
OCCUR
MAY 21, 2011**

God in His great mercy has given a marvelous proof that the year 2011 is the year of the Rapture which coincides with Judgment Day and the end of the world. Remember in 2 Peter 3:8, in the context of pointing us to the flood of Noah's day as well as to the destruction of the world at the end of time, He declared: **“one day with the Lord as a thousand years, and a thousand years as one day.”**

Years ago we learned from the Bible that the flood occurred in the year 4990 B.C. More recently we learned that Judgment Day is to occur in the year 2011 A.D. The year 2011 A.D. is exactly 7,000 years after the year 4990 B.C.

Just before the flood Noah was instructed by God that in seven days the flood would begin (Genesis 7:4, 10-16). Using the language of 2 Peter 3:8 that one day is as a thousand years, God used Noah, who was a preacher (2 Peter 2:5) to declare that “mankind has seven days or 7,000 years to escape destruction.” Since 2011 A.D. is precisely 7,000 years after Noah was instructed by God
