### THINGS TO THINK ABOUT:

The children of Israel heard God speak to Moses, who then spoke God's words to them. They did not have the 66 books of our Bible. Can you imagine what they did not know about spiritual truth? They knew only what others could tell them. We are greatly blessed with the whole story of God's revelation in written form, concerning which it can be declared, "All scripture is given by inspiration of God ... holy men spake as they were moved by the Holy Ghost" (2 Tim 3:16; 2 Pet 1:21).

What do you enjoy reading? Do you like poetry, songs, meditations which confort, challenge, inspire you to love and obey God? Or do like biographical detail like the life of Christ and godly men and women? Or do you enjoy ancient history (really His Story)? Or do you occasionally like to visit wars, battles and daring exploits of mighty men? Or do you like to muse on God's supernaturalism and miracles? Or how about the wonder of salvation by grace through the work of Christ as declared in the gospel? The Bible offers all this and much, much more!  
Let us prioritize our time today and every day and seek spiritual refreshing from the Scriptures including the benefits of "doctrine, reproof, correction and instruction in righteousness" 2 Tim 3:16.
