Check direction of your bubbles.

Check your diving gauges.

For anyone that thinks they could sense correct direction in a plane or black water, they would likely be the first to die.

Pastor!

What is this all about?
What is our Bible study?

Right Side Up

Right Side Up

In an Upside Down World

Our lives are a flight to heaven.

Read Pilgrim's Progress.

To reach our destination, we must fly strictly by our instruments.

What is the Christian's flight manual?

THE BIBLE

What is the Christian's instrument panel?

THE BIBLE

Two Rules to Beat Spatial-D

1. **You must know the instruments well.**
2. **You must ignore feelings and inputs.**

The Cure for Spiritual Spatial-D

"Therefore I esteem all thy precepts concerning all things to be right; and I hate every false way" (Ps 119:128).

I know for sure that every rule in the Bible flight manual is correct;
I highly value every gauge in the instrument panel for my flight's aircraft attitude, altitude, and airspeed to always be right;
I hate every blinding factor from outside the cockpit, every internal or intuitive impulse, and every influence by my passengers in life.

Know the Danger!

IMC = Instrument Meteorological Conditions

Flying in marginal weather without being instrument certified gives you 178 seconds.

Know the Danger!

The moral, doctrinal, and religious weather of America is the perilous times of the last days.

It is the worst weather the world has ever seen according to Paul's flight warning to Timothy.

Know the Danger!

Your inner ear – your fleshly old man – can give you an overwhelming feeling or conviction.

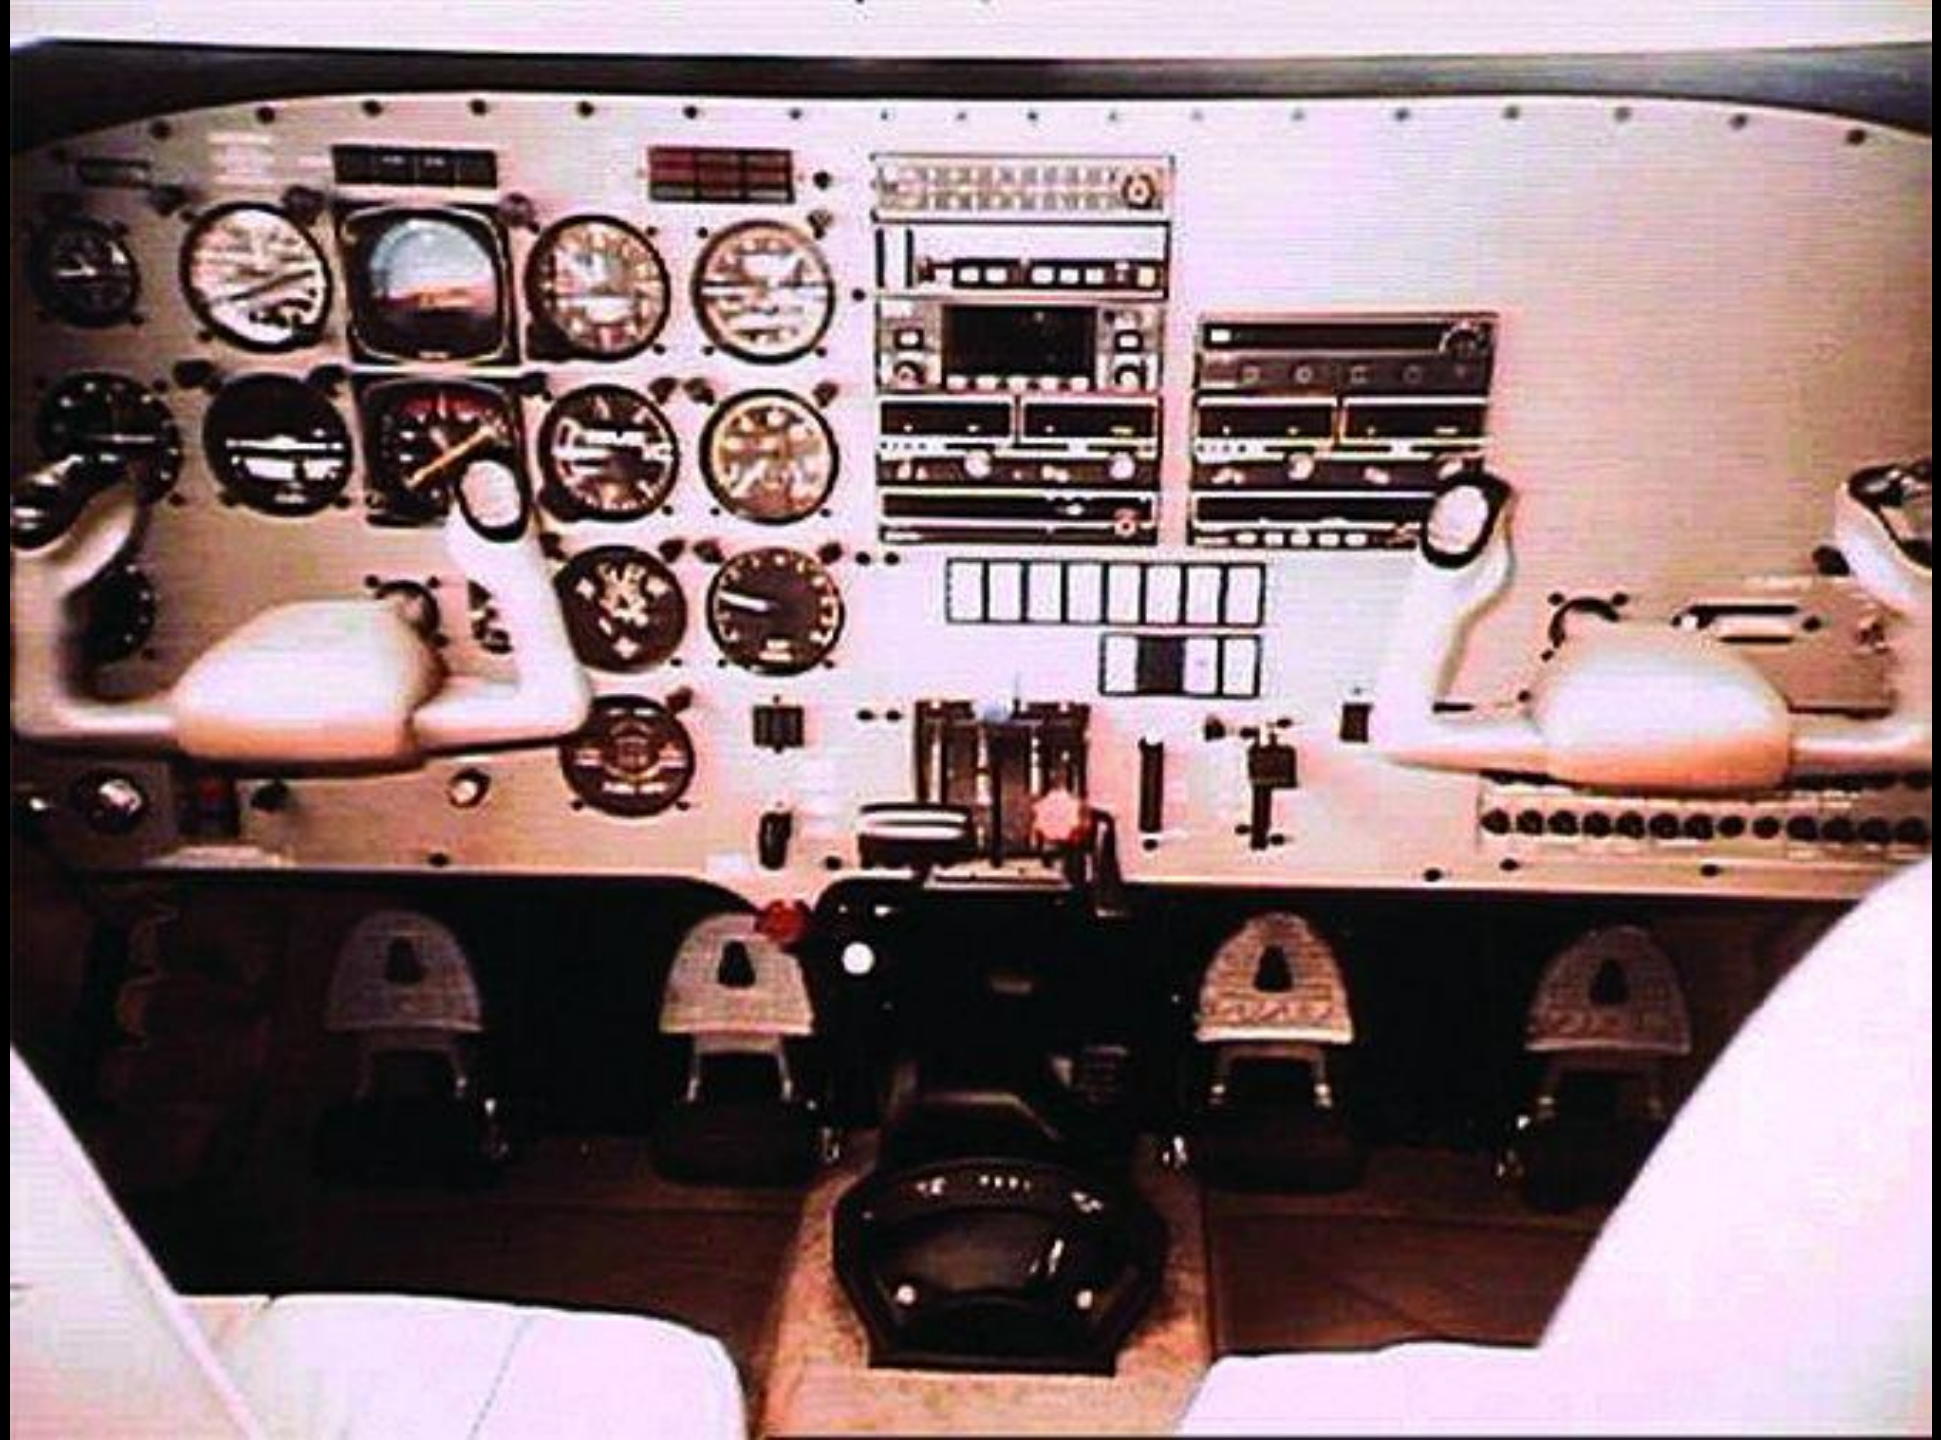

You will want to make decisions by intuition (lusts) that can be fatal for your flight to heaven.

Know the Danger!

Friends and peers around you in the cockpit of life will offer their just-as-confused ideas to you.

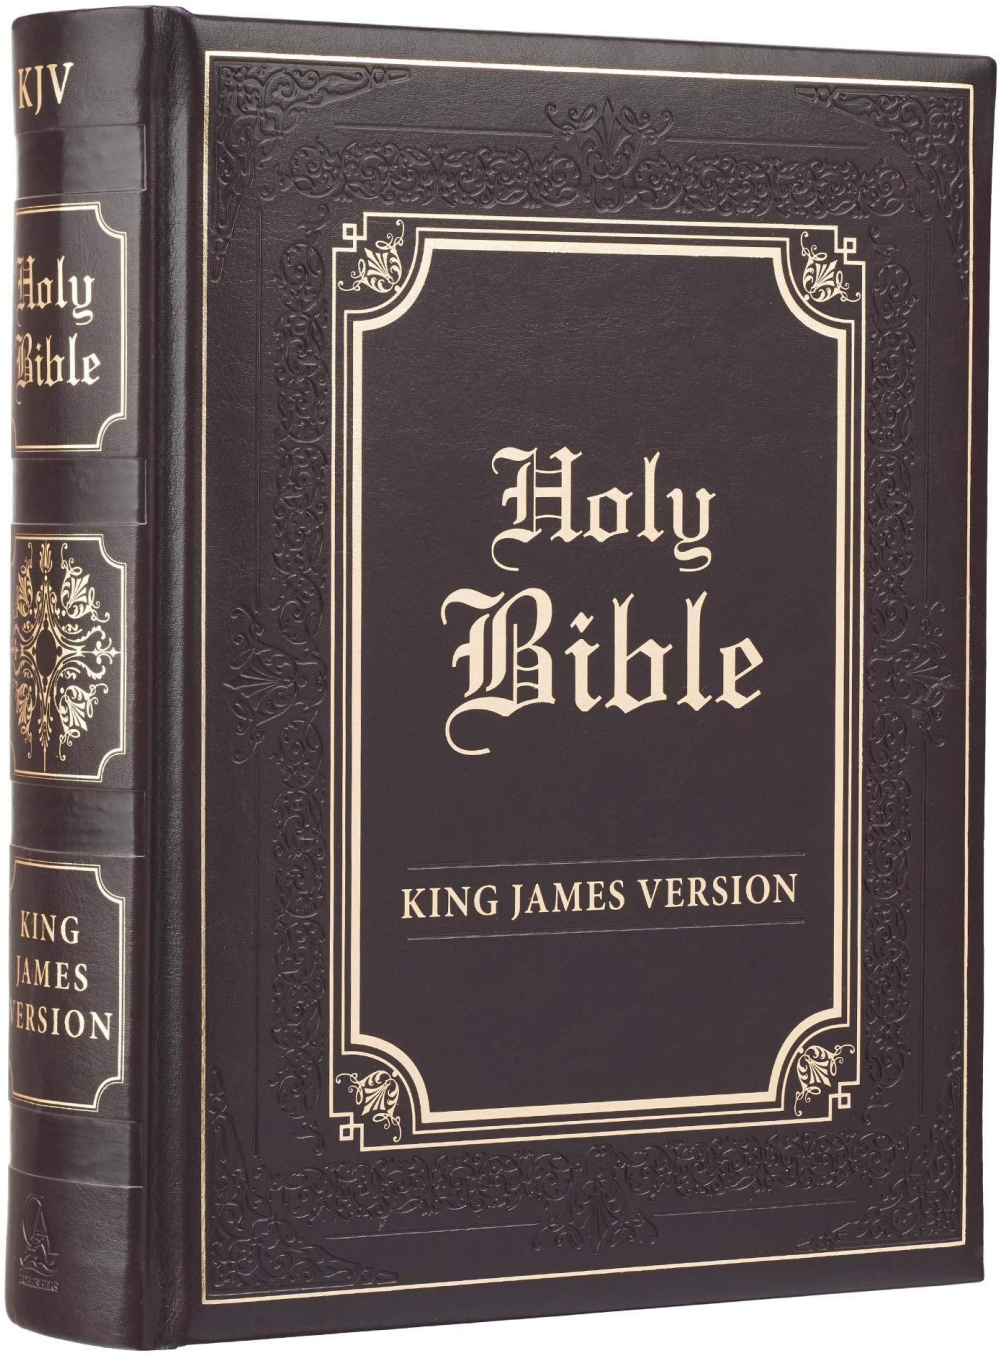

Even family, sitting in passenger seats, will want you to change direction to fly against the truth.

Spatial Disorientation (4)

God has judged the world … it is morally upside down.

In just a couple generations they have inverted much.

If you look around, you will be morally disoriented.

If you listen to them, you will be morally disoriented.

<u>You have instruments … or bubbles … You have the Bible*!*</u>

THE 19.

World turn'd upside down:

OR,

A briefe description of the ridiculous Fashions of these distracted Times.

By T. J. a well-willer to King, Parliament and Kingdom.

London: Printed for *John Smith*. 1646 1647.
Jan: 26

The donkey gets its loaded cart dragged by its master.

Thus saith the LORD, Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls. But they said, We will not walk therein.

Jeremiah 6:16

- Our Creator, Savior, and Sustainer has wonderful instructions for our lives.
- We need to stop and stand, rather than rush ahead, to find the old paths.
- There is a good way for us to walk – a good way for our flight in this world.
- This good way for our flight through life will provide rest for our souls.
- But most of God's people, like Israel here, rejected God's flight manual.

Stay yourselves, and wonder; cry ye out, and cry: they are drunken, but not with wine; they stagger, but not with strong drink.

Isaiah 29:9

- Stop to consider the incredulous moral events now occurring around you.
- Shout about the insanity that is sweeping the world and most Christians.
- Men act like they are totally drunk, but they are not drunk with alcohol.
- What is going on with such a rapid degeneration of morals in our lives?
- Nothing is outside the government of God, including the insanity of man.

For the LORD hath poured out upon you the spirit of deep sleep, and hath closed your eyes: the prophets and your rulers, the seers hath he covered.

Isaiah 29:10

- God Himself in holy judgment caused this incredible degree of blindness.
- He has put everyone into a deep sleep of blindness to His revealed truth.
- Especially preachers and rulers, He blinded them to judge the nation.
- When we neglect revealed truth, He can and will take His truth away.

Wherefore the Lord said, Forasmuch as this people draw near me with their mouth, and with their lips do honour me, but have removed their heart far from me, and their fear toward me is taught by the precept of men:

Isaiah 29:13

- The reason for God's great judgment was the hypocrisy of His people.
- His people were full of words about their love for Him but without works.
- They chose to love other things and pretend to be His people religiously.
- They had a form of ceremonial godliness or religion that they followed.

Therefore, behold, I will proceed to do a marvellous work among this people, even a marvellous work and a wonder: for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid.

Isaiah 29:14

- God planned to do a marvelous and wonderful work of blinding His people.
- These were His people and His church, but it would not cover their crimes.
- He would take away the wisdom and understanding of their prudent men.
- God does blind and confuse men, even His own, when they neglect truth.

Surely your turning of things upside down shall be esteemed as the potter's clay: for shall the work say of him that made it, He made me not? or shall the thing framed say of him that framed it, He had no understanding?

Isaiah 29:16

- They turned God's revealed will upside down for their perverted pleasure.
- Their own ideas of conduct were as stupid as clay arguing with its Potter.
- The world has ruined God's wise ordinances – many Christians included.
- God will have the last laugh! Whose side are we on? Let us choose God!

Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.

Romans 1:21

- God revealed Himself clearly to all men by creation – they have no excuse.
- When men do not glorify God their Creator as He deserves, He will judge.
- When men are not thankful for all He has given them, He will also judge.
- His judgment is to leave them to their own ideas and darken their hearts.
- His judgment then is to rewire them for perversity as following verses say.

And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient;

Romans 1:28

- Because men have refused to acknowledge and remember God, He judges.
- Men do all they can to forget God by false teachers, noise, activity, etc.
- God gives men over to a reprobate (rejected) mind against even nature.
- In this blindness and under this judgment, they will do things very wrong.
- God’s judgment is to disgrace each other by perverse sex acts in context.

Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.

Romans 1:32

- God has revealed sufficient truth for men to well know right from wrong.
- They know God will judge the world for sin and these sins deserve death.
- This is just like a pilot that knows IMC requires IFR but flies VFR anyway.
- They do these things that they see others do knowing they bring death.
- They exalt and seek the friendship and entertainment of the bold sinners.

God Is Judge!

He has confounded and rewired men from the beginning, though it is hardly ever preached.

Do You Know What to Do?

Do you know how to avoid moral spatial disorientation?

Do you know that your bubbles can only go one way – up?

Are you instrument rated to avoid what you see or hear?

You will ruin your life and be lost without right directions.

<u>You have instruments … or bubbles … You have the Bible*!*</u>

Only the Bible Is Right Side Up

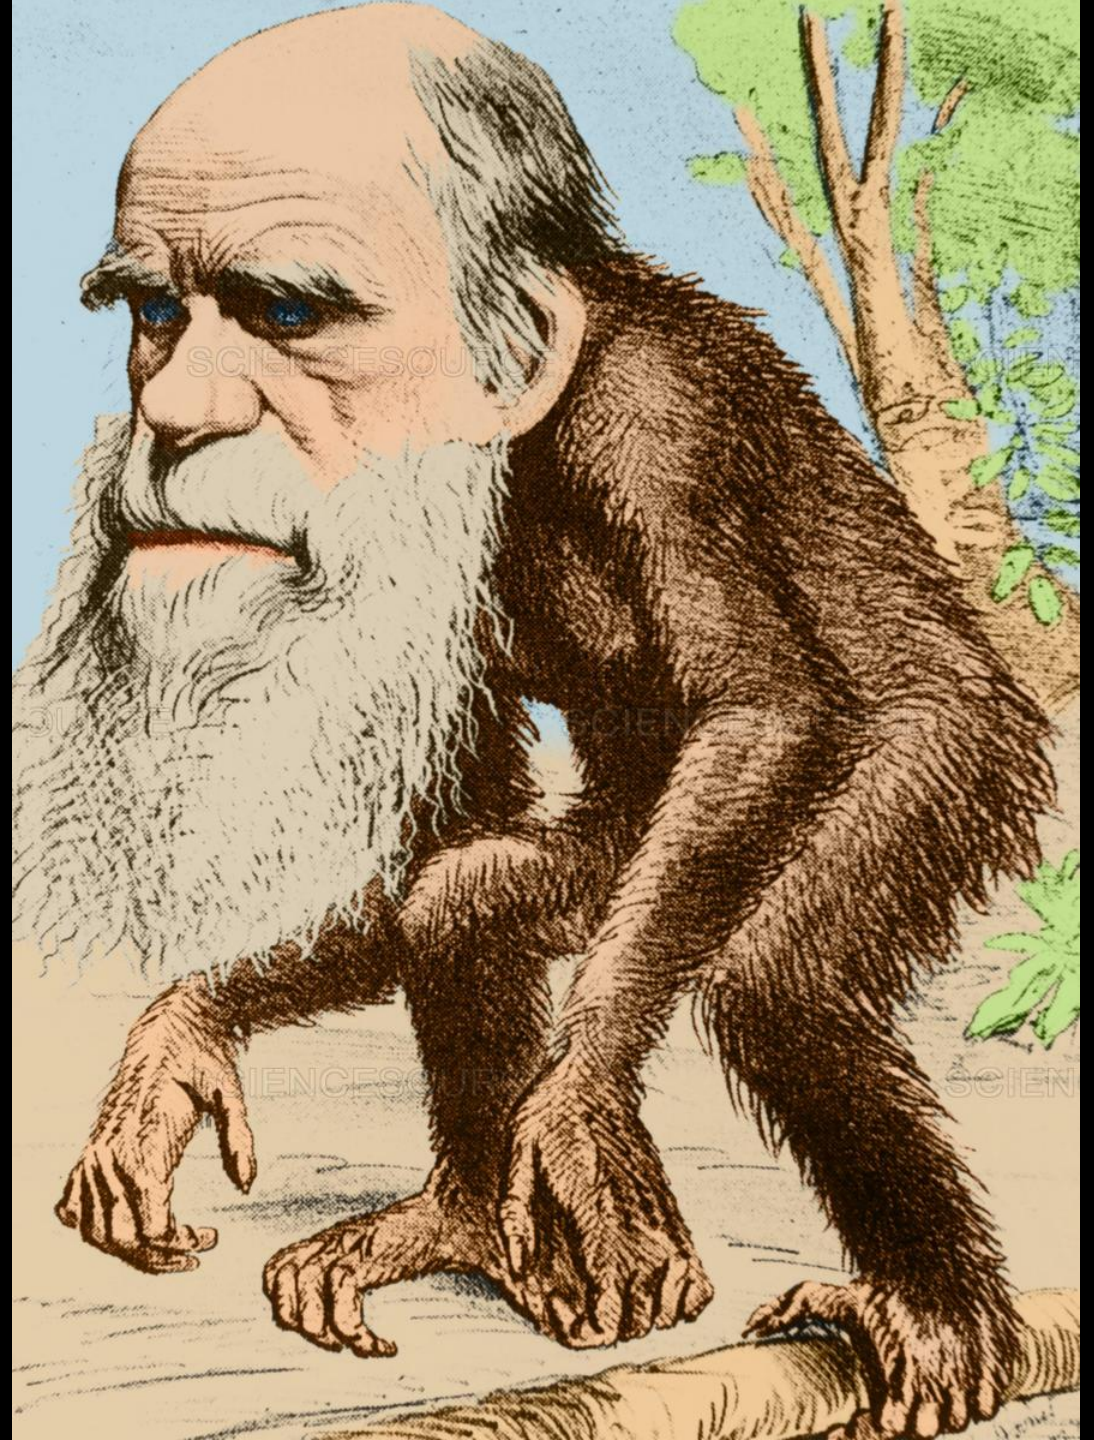

We must learn it, remember it, and always apply it to all.

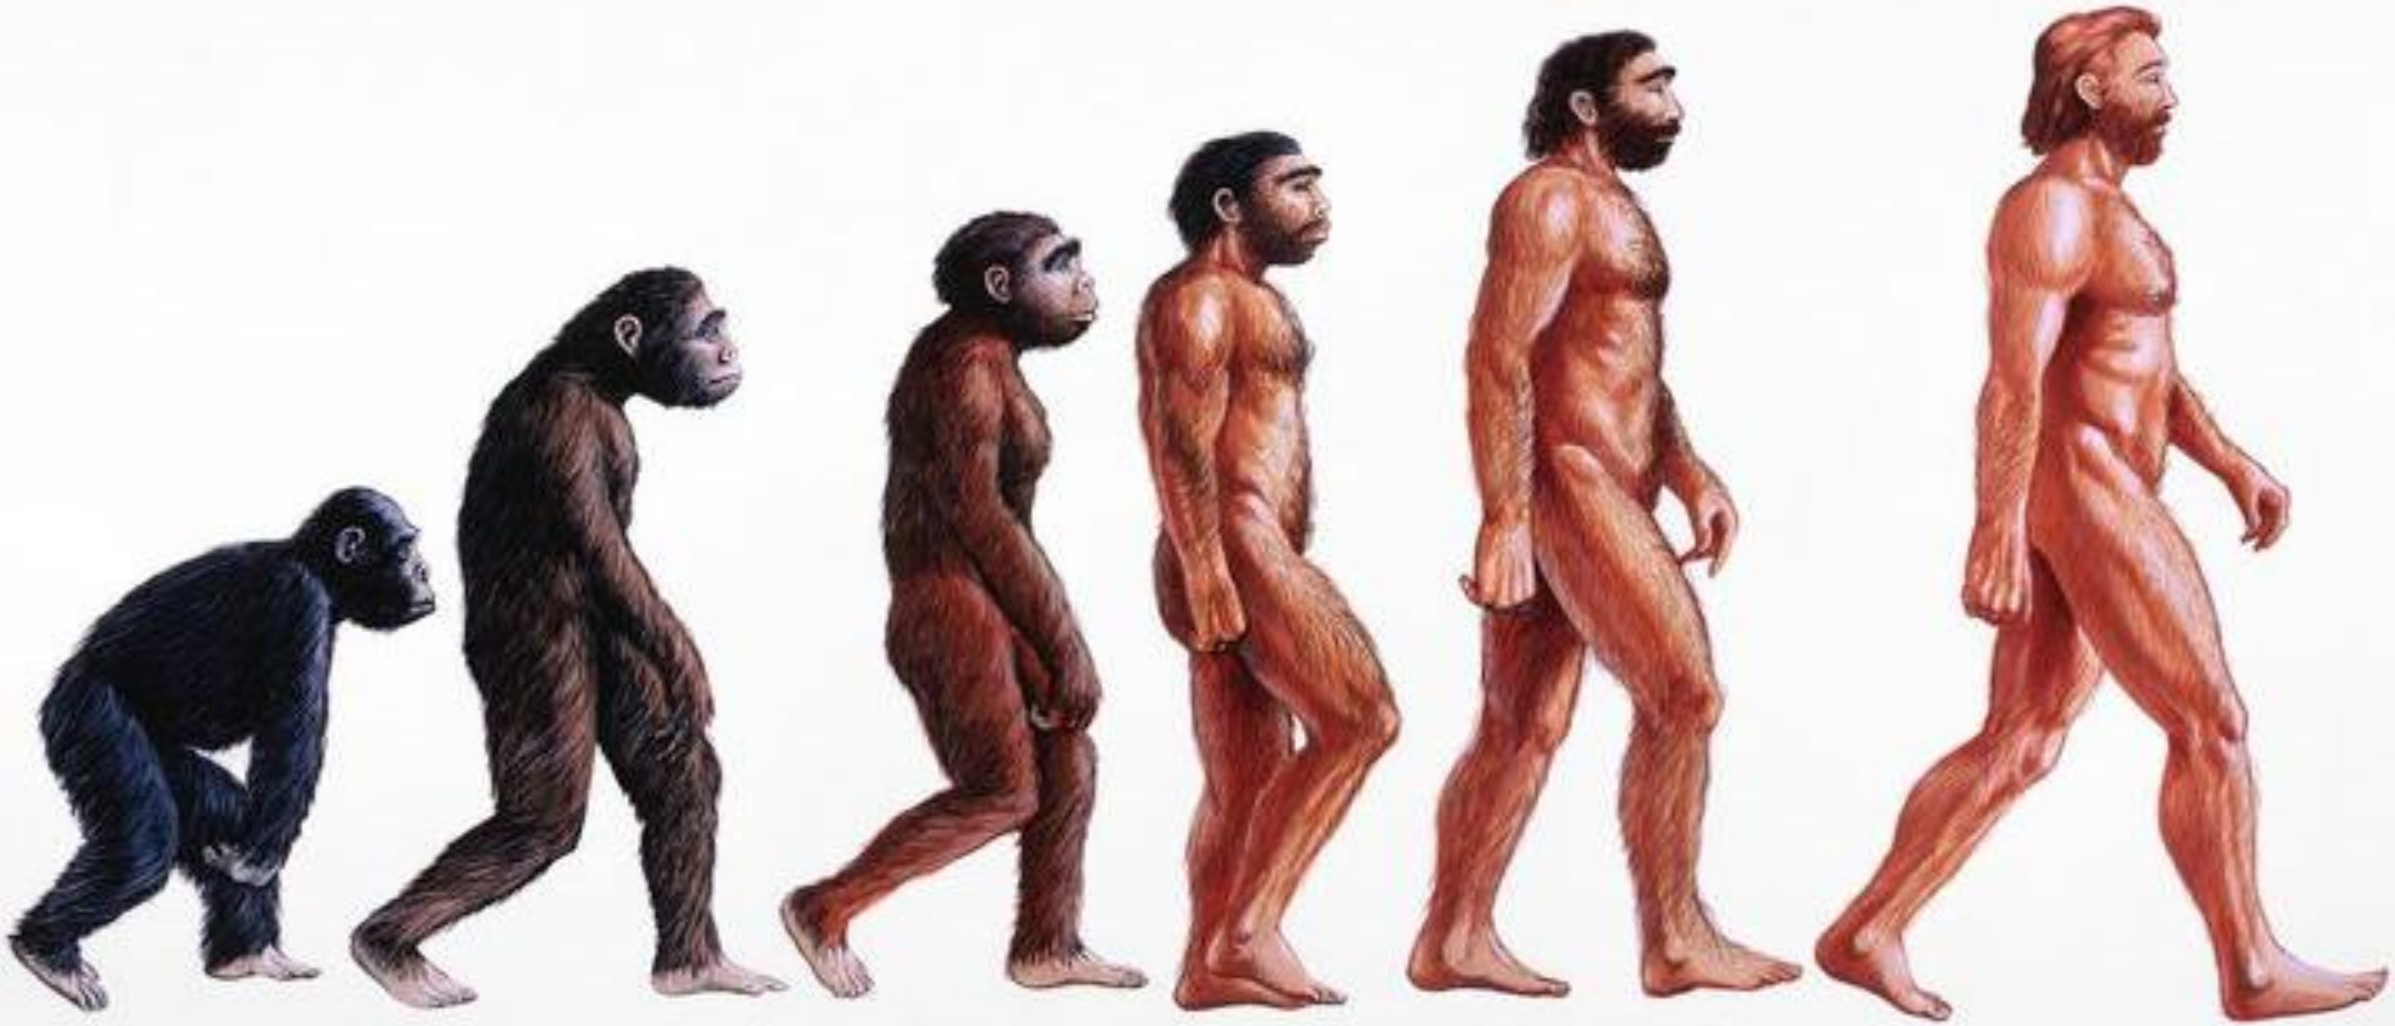

Nothing has changed – the Bible is still totally relevant.

The Creator's perfect will for your success is in writing.

To the degree you lose sight of the Bible ... *You will lose!*

<u>You have instruments ... or bubbles ... You have the Bible*!*</u>

Creation vs. Evolution

God created everything you see in six, 24-hour days.

God created all things you see from nothing by His power.

Evolution is the most upside down idea ever conceived.

They say everything came from nothing without help.

How many “scientists” would move you to be an atheist?

Very simple examples have been chosen to train you to trust the Bible before going to more difficult examples.

Capital Punishment

It is a simple, Bible solution for God's capital crimes.

The upside down world instead feels sorry for criminals.

They never think about the victims or their hurt families.

They get very upset if it takes more than seconds to kill.

God's plan was stoning without any pity. Think about it.

Corporal Punishment

Is spanking a child an act of love or hatred? Instruments!

The world can list 1000 reasons against it. Bad weather!

The world is blind to their dysfunctional youth and adults.

What does God say about spanking that leaves marks.

What is the outcome of spanking or not. Death and hell!

Abortion

It is cold-blooded murder of an unborn, unwilling child.

3,300 helpless babies are murdered each day in America.

If you lovingly spank older siblings, you are called cruel.

But if you mutilate the younger siblings, you are cool.

God ordered the death penalty for *accidental* abortion.

Animal Rights

Wait a minute! Be kind to animals ... be cruel to babies!

Scream against fur coats! ... but scream to abort babies!

Why not jail and caricaturize every abortion doctor?

How is bestiality punished today? *Cruelty to animals!*

Are you upright enough to see what is upside down?

Baptism

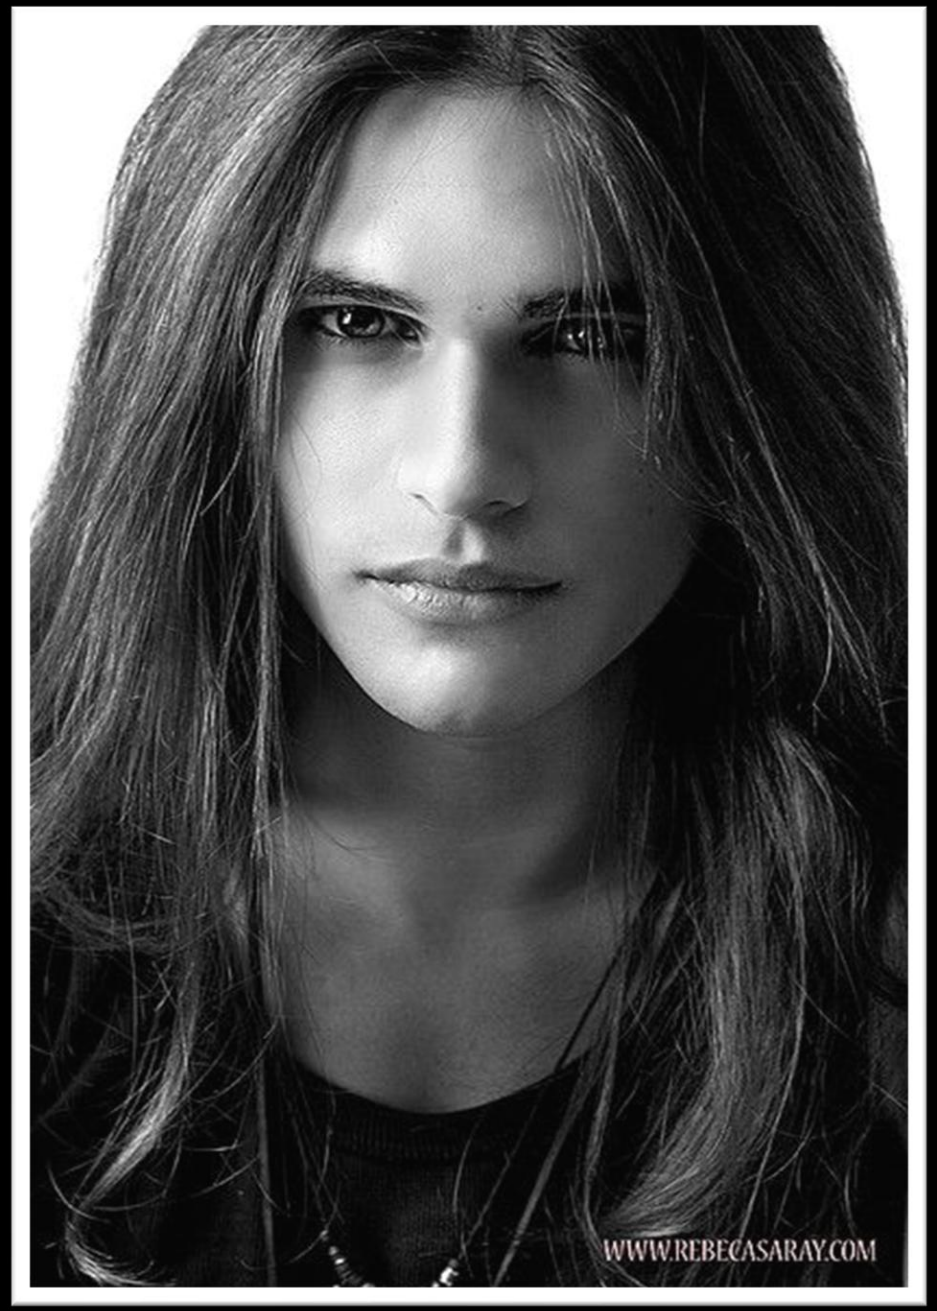

How old was Jesus when baptized? How was it done?

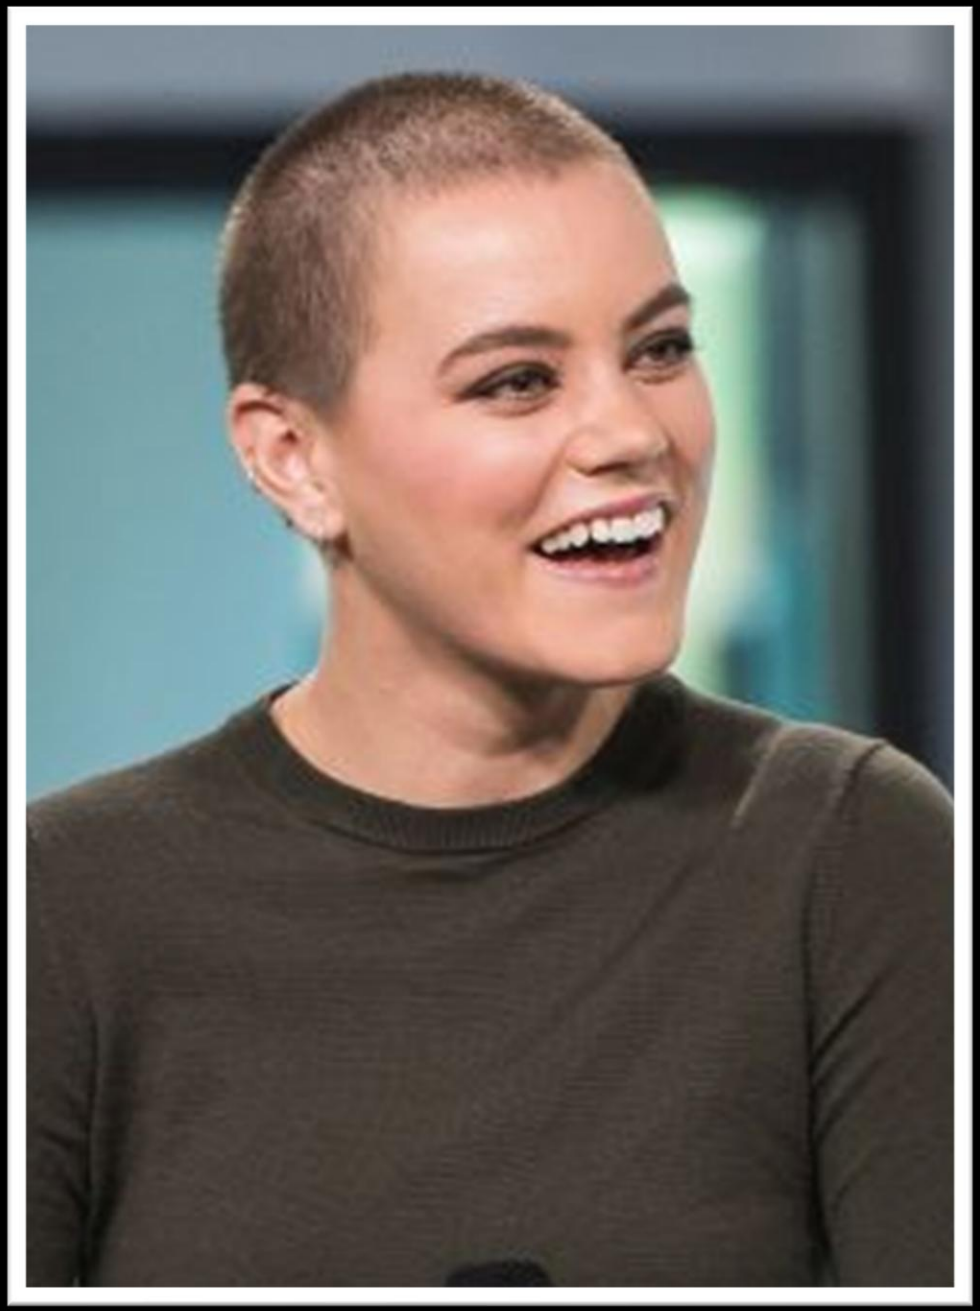

How many infants were baptized in the New Testament?

Was anyone ever baptized by sprinkling or pouring?

Does baptism have any important symbolism in the Bible?

Is baptism’s subject and mode something to overlook?

Hair Length

It is easy to believe the Bible when it is not personal.

Does God care about hair length? He sure does. Read it.

Do you know where to find what the Bible says about it?

The Bible and nature are as relevant today as ever.

How solidly are you committed to all the Bible says?
