## The KJV vs. the Rest

God has directed me to encourage Bible confidence.

Did He preserve commas, to show nonrestrictive words?

If in the Bible once, it is perfect, but what of several times?

Let us check Bible history and even justification doctrine.

The simple study will benefit you in both O.T. and N.T.

And he said unto Abram,  
Know of a surety that thy seed shall be a stranger  
in a land that is not theirs, and shall serve them;  
and they shall afflict them four hundred years;  
And also that nation, whom they shall serve, will I judge:  
and afterward shall they come out with great substance.

Genesis 15:13-14

Now the sojourning of the children of Israel,  
who dwelt in Egypt, was four hundred and thirty years.  
And it came to pass at the end of the four hundred and thirty  
years, even the selfsame day it came to pass, that all the  
hosts of the LORD went out from the land of Egypt.

Exodus 12:40-41

And God spake on this wise,  
That his seed should sojourn in a strange land;  
and that they should bring them into bondage,  
and entreat them evil four hundred years.  
And the nation to whom they shall be in bondage will I judge,  
said God: and after that shall they come forth,  
and serve me in this place.

*Acts 7:6-7*

And this I say, that the covenant,  
that was confirmed before of God in Christ,  
the law, which was four hundred and thirty years after,  
cannot disannul, that it should make the promise of none effect.

Galatians 3:17

## The KJV vs. the Rest

Are you excited to know four Bible books better?

Tonight is about 400 years and 430 years and counting.

A brother here once threatened me to hold to the KJV 😊.

Jesus and Paul loved every word of God, so should you.

But can we argue truth from commas? Is this true?

What about **430** in Galatians 3:17?

Paul taught there were **430** years between God's promise of justification to Abram and the giving of the law to Moses.

What about **430** in Galatians 3:17?

Paul had a great argument that the Jewish legalists were too late by **430** years for justification!

And this I say, that the covenant,  
that was confirmed before of God in Christ,  
the law, which was four hundred and thirty years after,  
cannot disannul, that it should make the promise of none effect.

Galatians 3:17

## What Started and Ended the **430** Years?

It began with God's promise to Abraham of worldwide blessing in Christ by faith and ended at Mt. Sinai with Moses' law.

Galatians 3:6-22

Now the LORD had said unto Abram ...  
And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.

So Abram departed, as the LORD had spoken unto him;  
and Lot went with him: and

Abram was seventy and five years old  
when he departed out of Haran.

*How long were the Israelites in Egypt?*

How long were the Israelites in Egypt, and show the calculations and scriptures used.

The duration of the Israelites' stay in Egypt is often understood through biblical texts, primarily in the book of Exodus, and through a few other references.

## Biblical Texts

### 1. Exodus 12:40-41:

- "Now the sojourn of the children of Israel who lived in Egypt was four hundred and thirty years. And it came to pass at the end of the four hundred and thirty years, on that very same day, it came to pass that all the armies of the Lord went out from the land of Egypt."

From this verse, we see that it is stated explicitly that the Israelites were in Egypt for **430 years**.

Let's ask the **ESV** in Exodus 12:40!

*How long were the Israelites in Egypt?*

*The time that the people of Israel lived in Egypt was 430 years.*

Pastor, our Bible states two things!

- #1 The children of Israel sojourned 430 years!
- #2 And they dwelt in Egypt for unknown time!

Yes, Bible history and math confirms it.

#1 The children of Israel sojourned 430 years!

#2 But they only dwelt in Egypt for 215 years!

## Commas Count and Are Important

The clause, “who dwelt in Egypt,” is enclosed by commas, which makes it a nonrestrictive clause: *a clause that does not affect the rest of the sentence and may be removed and not change the meaning of the main clause; and parentheses may be used for the commas.*

Now the sojourning of the children of Israel,  
who dwelt in Egypt,  
was four hundred and thirty years.

## Modern Bibles Contradict Themselves and Bible History

- #1 Galatians 3:17 from Abraham to Sinai is 430!
- #2 Yet Abram, Isaac, Jacob were in Canaan 215!

## Trust and Love Your KJV Bible

- #1 An internal contradiction breaks their Bibles!
- #2 Sojourn & Commas in Ex 12:40 are precious!
- #3 They dictate how we use any related verses!
- #4 God has confirmed His word to us yet again!
- #5 He has made worldly wisdom foolish again!
- #6 We are on inspired ground ... 4 x Fs for KJV!
